

**The Boulder Labs Library** provides timely, relevant information and research support for all employees and guest workers at the NIST, NOAA and NTIA Labs located in Boulder, CO. Our collection contains books, journals, technical reports, databases, and other information resources in a wide variety of subject areas including, but not limited to:

- ◆ Atmospheric Science
- ◆ Chemistry
- ◆ Computer Science
- ◆ Engineering
- ◆ Geoscience
- ◆ Leadership
- ◆ Physics
- ◆ Telecommunications

## Stay up to Date

**Library News:** Keep up with new developments at the Library, including new journal titles, online resources, policy changes, seminars and much more.

- ◆ Updated Weekly
- ◆ Available via RSS
- ◆ Sign up to have a monthly digest emailed

*Knowledge is of two kinds. We know a subject ourselves or we know where we can find information upon it.*  
— Samuel Johnson

## Resources to Lighten the Load

**Available from your desktop via the Library's website:**

**Databases** — Here are a few of the many databases the Library provides to find citations:

- ◆ Web of Science
- ◆ GeoRef
- ◆ Inspec
- ◆ MGA

**E-Journals** — Access over 1,000 full-text electronic journals.

**E-Books** — Use the Library's online catalog to find e-books in many subject areas. Collections include: Access Engineering, Books 24x7, IEEE-Wiley ebooks Library.

**Interlibrary Loan & Document Delivery** — Need a copy of a journal article or book chapter? Need a book not owned by the Library? Submit a request to the Library via ILLiad and have a book or a copy of an article delivered to you.

**Literature Search** — To save valuable time, ask a reference librarian to perform a literature search. We have access to hundreds of additional databases and can find what you need.

**Citation Management Software** — Need help managing your citations via Endnote or Reference Manager? Ask us.

**New Books** — See our weekly announcements of new books and request them via our online form. We encourage book recommendations.
