# Boulder Labs Library Bibliometrics Program

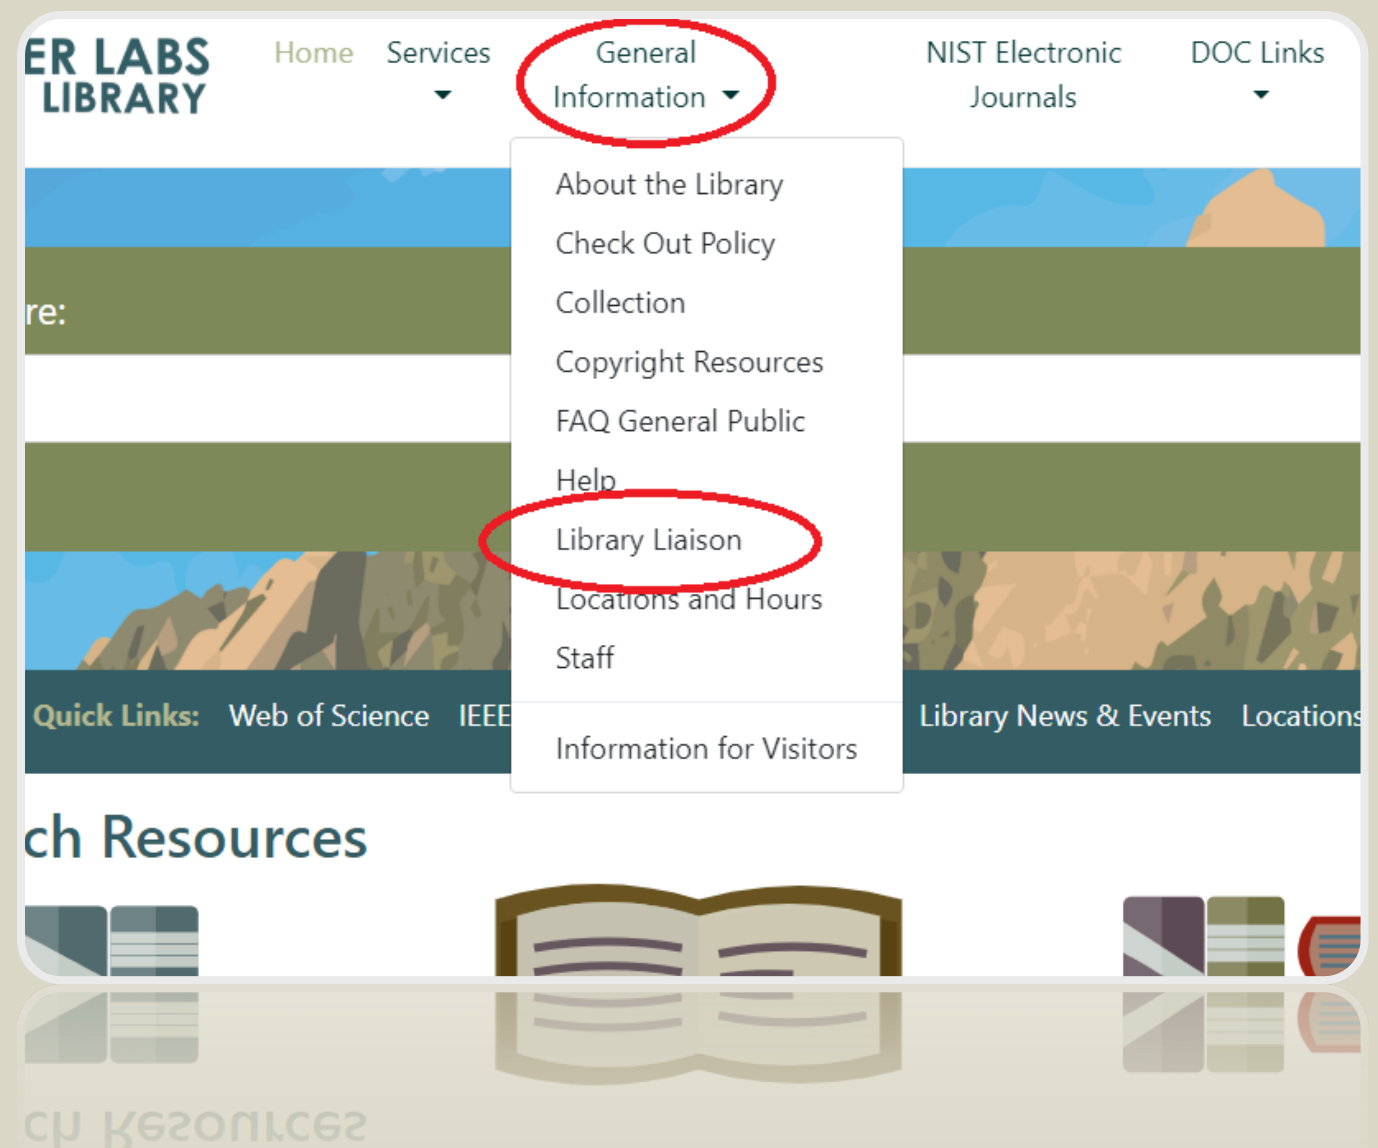

*Bibliometrics is the quantitative analysis of publications.*  
Contact Sue Visser at **[sue.visser@noaa.gov](mailto:sue.visser@noaa.gov)** to learn how the Boulder Labs Library can run a report for you and/or your team.

# Boulder Labs Library Liaison Program

Library liaisons work collaboratively with researchers and labs to support their information needs, such as:

- ✓ Reference inquiries
- ✓ Research analysis
- ✓ Literature searches
- ✓ Sharing new books/resources

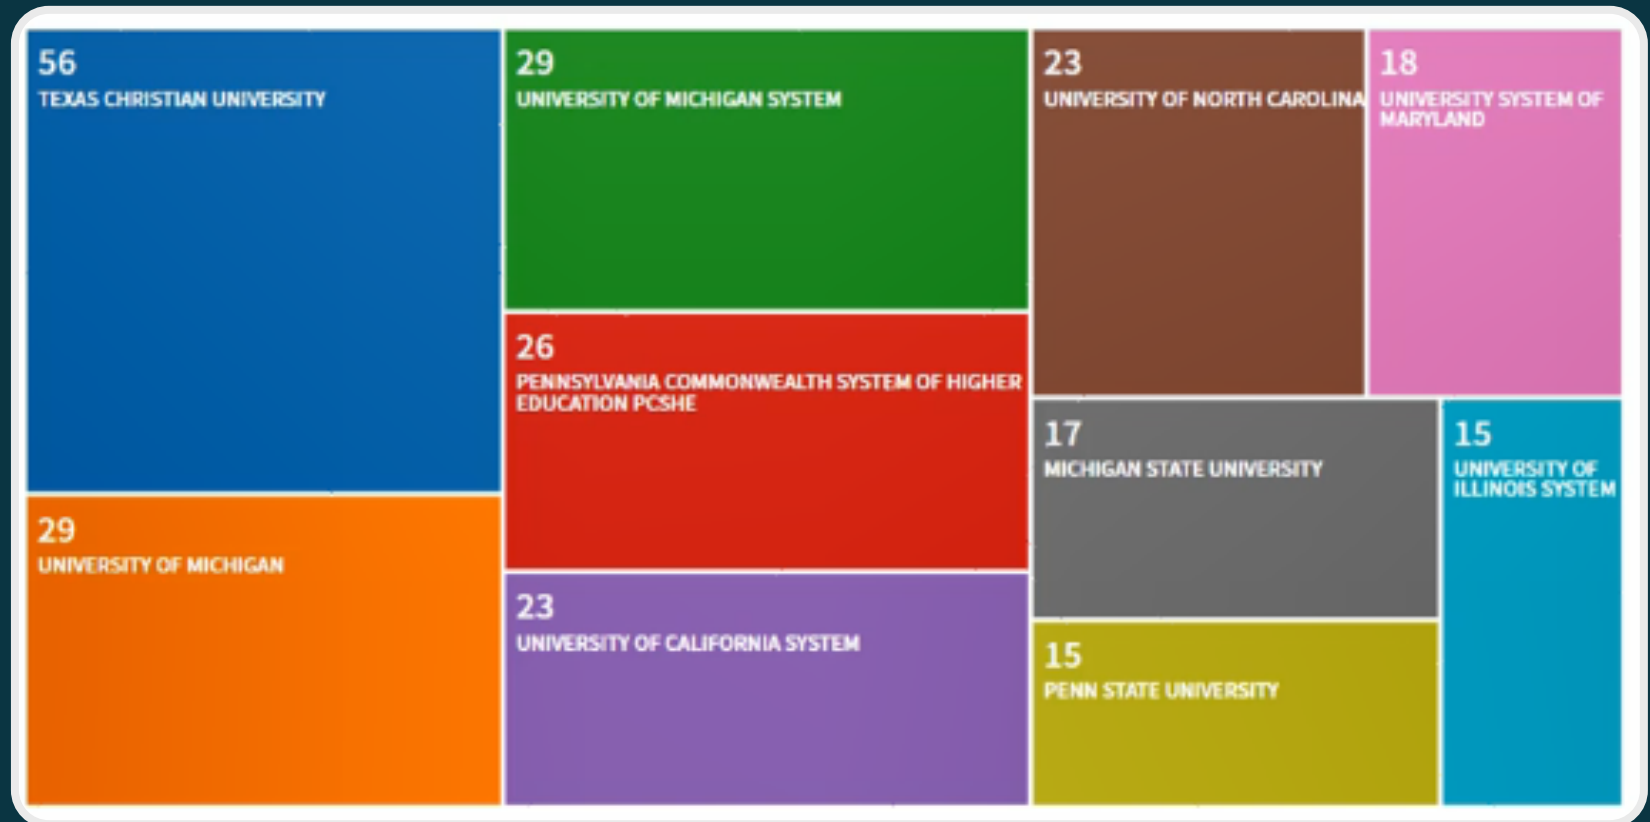

[library.bldrdoc.gov/general-information/library-liaison](http://library.bldrdoc.gov/general-information/library-liaison)

# Boulder Labs Library Resource: Web of Science

- ✓ Save searches & alerts
- ✓ Several searching options, including by database name
- ✓ Use the “Create Citation Report” feature to analyze citation impact (e.g. total publications and citing articles) via graphs and charts

***Access it now by visiting the Boulder Labs Library website***

# Document Delivery via Boulder Labs Library

*While the **Boulder Labs Library** has many easy-to-access books, eBooks, databases, and journals, you may need:*

- ☞ **A scanned article or book chapter from the Boulder Labs Library**
- ☞ **A document, book, or report from another Boulder Labs Library location**
- ☞ **An item not held by the Boulder Labs Library**

If so, reach out to our Interlibrary Loan team at [BoulderLabs.ILL@noaa.gov](mailto:BoulderLabs.ILL@noaa.gov)

Did you know that **NEW BOOKS** are added to the Boulder Labs Library collection every month?

Check them out at  
<https://library.bldrdoc.gov/services/new-books>

Want to stay  
up-to-date  
with the  
Library?

# *FROM THE STACKS*

Inspired by the NOAA Heritage Exhibits in the DSRC, the Boulder Labs Library has a new exhibit in its Branch Library (DSRC-2C407) called From the Stacks

The exhibit celebrates the research history of NOAA-Boulder and its predecessor agencies by displaying reports and books from the Library collection and changes monthly
