ILLiad
A system that allows customers to make requests, receive items, renew requests, and view their borrowing history.

Tips for Fast & Accurate Service
- If the journal article/book you need has a number (DOI, ISSN, or ISBN) associated with it, provide it with the request
- Book requests with an OCLC number or ISBN usually directly go to lending libraries, so you may receive the book faster

How to Use ILLiad

- Create ILLiad account at **bldrdoc.illiad.oclc.org**
- Search the Library's catalog at **boulderlabslibrary.on.worldcat.org**
- Enter journal article title or book title
- For items in the Library:
    - Click on **Access Online** for electronic access
    - For print books, pick up the book by referencing the **call number** and **location**, or place it on hold
- For items not at the Library:
    1. Click on **Request Item via Interlibrary Loan**
    2. Log into your ILLiad account at the logon screen
    3. The info about the book/article autopopulates the request form; then click **Submit Information**. Or, directly enter your request.
- The system will email you a link to the PDF when the item is available
