

BOULDER LABS LIBRARY OPEN HOUSE

GEOFACETS™ for AGU MEMBERS

<https://geofacets.agu.org>

American Geophysical Union (AGU) members have access to Elsevier's Geofacets-AGU Millennium Edition. To use this resource, you must be an active, logged in AGU member.

Benefits:

- Scientific maps from trusted geologic publications
- Intuitive search & discovery features
- Downloadable file types: GeoTIFF + Metadata, GeoTIFF, JPG, KMZ
- Maps can be integrated into analysis software, such as Arc-GIS, Google Earth, PowerPoint

Access & Download ~65,000 Digitized Scientific Maps Published in 8 AGU Publications from 2000 to Present:

- Journal of Advances in Modeling Earth Systems (JAMES)
- Journal of Geophysical Research: Biogeosciences
- Journal of Geophysical Research: Earth Surface
- Geochemistry, Geophysics, Geosystems
- Geophysical Research Letters
- Reviews of Geophysics
- Paleoceanography
- Tectonics
